Summary

Final-semester UOW Master of Information Technology student with a finance and banking background. Developed Power BI dashboards for business performance analysis and operational recommendations; designed a customer survey and analysed 200 valid responses in SPSS to inform marketing recommendations.

Education

University of Wollongong Feb 2025 – Dec 2026 (expected)
Master of Information Technology, Majors in Enterprise Systems and Information Design and Analysis

- WAM: **83.9/100**
- Coursework: Data Management Systems; System Analysis and Project Management; Business Process Management

Academy of Finance & University of Greenwich Sep 2020 – Sep 2024
Dual Degree Programme: Finance, Banking and Accounting

- Bachelor of Finance and Banking – Excellent
- BA (Hons) Accounting and Finance – First Class Honours
- Graduation Valedictorian, DDP 2024; GPA: **3.89/4.0**

Projects

Customer Deposit Decisions at SHB Feb – Jul 2024
Dissertation | SPSS, Excel

- Investigated deposit decisions through an anonymous survey of **200 valid responses**; applied Cronbach's Alpha, EFA, Pearson correlation and multiple linear regression in SPSS.
- Found significant associations with marketing, deposit interest rates and bank reputation; proposed customer communication, deposit service and marketing improvements.

SuperStore Retail Profitability Analysis Jun 2026
Power BI, Power Query, DAX | Kaggle Sample Superstore dataset

- Built a four-page dashboard to examine sales, profit and discounts by product, region and segment, covering **$2.33M sales** and **$292.3K profit**.
- Identified weak Furniture profitability and high-discount risks; proposed pricing and discount controls.

Pizza Sales Analysis Aug 2026
Power BI, Power Query, DAX | Kaggle Pizza Sales dataset

- Examined demand and product performance in a four-page dashboard using Power Query, a star schema and DAX: **$817.86K revenue** and **21.35K orders**.
- Found Friday busiest, Classic the top-revenue category and garlic/tomatoes in high-volume products; proposed staffing, menu and inventory-planning improvements.

Experience

SHB | Individual Banking Intern Oct 2023 – Feb 2024
Personal Banking Department | Hanoi, Vietnam

- Supported preliminary mortgage assessments: reviewed financial data, calculated **DTI ratios** and prepared documents.
- Used **printed CIC reports** to assess credit card eligibility and propose limits for supervisor review in practice cases.
- Assisted with account/card-opening applications, including completed cases, and year-end customer appreciation events.

DDP Charity Bridge Club | Finance Team Lead & Vice President Oct 2020 – Jul 2023
University student charity organisation | Hanoi, Vietnam

- Coordinated finance, HR and events for a **70-member charity** through team leads; led **six finance members** in budgeting, expense monitoring and resource allocation.
- Coordinated budgets, university approvals and delivery for **three Lunar New Year charity projects** (2021–2023), each budgeted at approximately **VND 100–130M**.

Skills

- **Analytics & Insights:** Power BI, Excel, SPSS
- **Finance & Banking:** Credit Assessment, DTI Analysis, Budget Planning, Expense Monitoring
- **Business Analysis:** Requirements Analysis, Stakeholder Analysis, Gap Analysis, BPMN, ArchiMate
- **Languages:** SQL, Python
- **Transferable:** Stakeholder/Customer Communication, Cross-functional Coordination, Team Leadership
