Academy of Finance & University of Greenwich

Sep 2020 - Sep 2024

Dual Degree Programme (DDP): Finance, Banking and Accounting

Hanoi, Vietnam

- Bachelor's Degree in Finance and Banking - Excellent
- BA (Hons) Accounting and Finance - First Class Honours
- Graduation Valedictorian, DDP 2024 | GPA: 3.89/4.0

EXPERIENCE

SHB - Individual Banking Intern

Oct 2023 - Feb 2024

Personal Banking Department

Hanoi, Vietnam

- **Analysed internal lending policies and consumer loan files**, reviewing secured and unsecured lending requirements, eligibility criteria, documentation requirements and key steps in SHB's lending process.
- **Supported a preliminary mortgage credit assessment**, collecting customer information on income, credit history and existing debt, calculating debt-to-income (DTI) ratios and preparing supporting documentation to assess lending eligibility.
- **Evaluated credit card eligibility and proposed credit limits**, analysing Credit Information Centre (CIC) data, current debt exposure, repayment history and DTI against SHB's credit requirements.
- **Supported retail customer engagement activities**, assisting savings customers and communicating relevant promotional programmes during customer support activities.

DDP Charity Bridge Club – Deputy Chairperson, Finance & Human Resources

Oct 2020 - Jul 2023

University Student Charity Organisation

Hanoi, Vietnam

- **Coordinated finance and HR operations for a 70 member student charity organisation**, including recruitment, member allocation and event staffing.
- **Led a finance team**, managing budgets, income and expenses, reimbursements, fundraising activities and financial reporting.
- **Managed financial coordination for the club's annual charity event**, typically operating at a fundraising scale of VND 100–150 million, while working with university staff, sponsors and external student organisations.

PROJECTS

Factors Affecting Individual Customers' Deposit Decisions at SHB

Feb 2024 - Jul 2024

SPSS, Excel | Dissertation Project

- **Conducted a quantitative study using 200 valid customer responses**, applying Cronbach's Alpha, Exploratory Factor Analysis, Pearson correlation and multiple linear regression to examine factors influencing deposit decisions.
- **Identified marketing, deposit interest rates and brand reputation as significant drivers of customer deposit decisions**, translating findings into recommendations for SHB's deposit services and customer attraction strategies.

SuperStore Retail Profitability Analysis

June 2026

Power BI, Power Query, DAX

GitHub

- **Analysed \$2.33M in sales and \$292.3K in profit**, evaluating performance across products, regions, customer segments, discounts and shipping modes.
- **Identified key profitability risks including 26.3% loss-making orders, weak Furniture performance and high discount levels**, supporting pricing and discount-control recommendations.

Electricity Demand & Price Risk Analysis – AEMO & BOM

In Progress - 2026

Orange, Excel | Group Project

GitHub

- **Defined the business problem, project objectives and five decision questions**, translating an electricity retailer's demand and price risk needs into a structured analytical scope across five NEM regions.

- **Performed data understanding and preparation on AEMO and BOM datasets**, assessing missing values, duplicates, distributions and integration constraints to prepare the data for downstream analysis and review.

Digital Care Information System

In Progress - 2026

Protégé, RDF/TTL, SPARQL, Apache Jena Fuseki, Web Technologies | Group Project

GitHub

- **Translated information and form requirements into an ontology-based information model**, mapping web-form fields to corresponding concepts and properties for a dementia information system.
- **Validated the flow between web forms, ontology structures and RDF data**, supporting consistency checks, model refinement and team review of the implemented system.

SKILLS

- **Data Analytics:** Power BI, Power Query, DAX, SQL, Tableau, Excel, SPSS, Data Analysis, Data Visualisation, Dashboard Development
- **Business Analysis & Process Modelling:** Requirements Analysis, Stakeholder Analysis, Gap Analysis, BPMN, ArchiMate
- **Transferable Skills:** Stakeholder Communication, Analytical Thinking, Team Collaboration, Organisation & Coordination, Attention to Detail, Customer Communication
- **Data & Technical Foundations:** Python, JSON, XML

CERTIFICATIONS & AWARDS

- **Microsoft Power BI Data Analyst** - Microsoft Partner: Datapot Academy
- **SQL and Python Foundations in Data Analytics** - MCI Technology Academy
- **UOW Postgraduate Academic Excellence Scholarship 30%**
- **DDP Honours Scholarship** - Second Class Award 2021 - 2023
